Aria-II-S

Stepping inside the Aria-II, guests will be mesmerized by the spacious and airy, single-story design and an array of included upgraded features. A charming covered entry sets the stage for a breathtaking view of the open concept dining, living, and gourmet kitchen area. Retreat to the primary bedroom featuring a generous walk-in closet and a tranquil primary bath boasting a lavish glass-enclosed shower and a double-sink vanity. Other noteworthy highlights include 3 sizable secondary bedrooms and a conveniently located laundry room. Plus, a generous covered patio invites you to enjoy time with family and friends.
